Remember back in the day when we met on campus and Ms. Raef would greet you at the curbside each morning? That early morning greeting time was so valuable for the community because it provided an opportunity to ask admin pressing questions in an informal setting.

In an effort to "see" you all again, Ms. Raef is holding an open room Zoom session. Please come visit and bring any questions you may have. There will be no formal agenda for these meetings, as they are an opportunity for us to visit one another and be a community.

If this time does not fit with your schedule, and you have anything you would like to discuss with administration, please email Ms. Raef privately to set up a meeting. TRaef@harmonyusd.org
