#### HARMONY UNION SCHOOL DISTRICT

Board Meeting June 17, 2021 2021-22 Budget Development

The 2021-22 Budget Development was developed using the May 14, 2021, agreement between Governor Newsom and the State Legislature which preserves funding at current levels for K-12.

Due to COVID-19 and the Governor's 2021-22 Budget, the LCFF Calculator used in developing the 2021-22 Multi Year Projection used a 5.07% COLA for 2021-22, 2.48% for 2022-23 and 3.11% for 2023-24. For these reasons, the Harmony Union School District Board is being presented with a 2021-22 Budget Development for review and adoption that is deficit spending in 2022-23 and 2023-24.

The 2021-22 Budget Development is based on the LCFF calculation which includes supplemental and concentration grants based on the number of English Language Learners pupils, students eligible for free and reduced meal programs and foster youth. (Unduplicated pupil counts) The ADA, enrollment and pupil counts have been updated to reflect estimates as best as can be determined at this time. The number of unduplicated pupils enrolled in each school district as a percentage of total enrollment will constitute the unduplicated count. Each year the District will provide the State the total number of unduplicated pupil counts in these categories, which will determine the grant funding the District qualifies for. At the 2021-22 Budget Development Budget, the District's unduplicated count is 13 and the Supplemental/Concentration Grant percentage for the District is 27%. The District does not qualify for concentration grant funding as the unduplicated count percentage would have to exceed 55%.

The 2021-22 school year will include additional revenue connect to COVID Relief:

Expanded Learning Opportunity Grant \$68,604: ELO Grants shall be used for extending instructional learning time, accelerating progress to close learning gaps, integrated pupil supports, community learning hubs, supports for credit deficient pupils, additional academic services, and training for school staff. LEAs are encouraged to engage, plan, and collaborate on program operation with community partners and expanded learning programs, and leverage existing behavioral health partnerships and Medi-Cal billing options, in the design and implementation of services.

In-Person Instruction \$32,570: IPI Grants may be used for any purpose consistent with providing in-person instruction for any pupil participating in in-person instruction, including, but not limited to, COVID-19 testing, cleaning and disinfection, personal protective equipment, ventilation and other school site upgrades necessary for health and safety, salaries for certificated or classified employees providing in-person instruction or services, and social and mental health support services provided in conjunction with in-person instruction.

ESSER III \$185,771: Any activity authorized by the ESEA, the Individuals with Disabilities Education Act (IDEA), the Adult Education and Family Literacy Act (AEFLA), or the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins). Coordination of LEA preparedness and response efforts with state, local, tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses with other agencies to prevent, prepare for, and respond to coronavirus. Activities to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including how outreach and service delivery will meet the needs of each population. Developing and implementing procedures and systems to improve the preparedness and response efforts of LEAs. Training and professional development for LEA staff on sanitation and minimizing the spread of infectious diseases. Purchasing supplies to sanitize and clean the facilities of an LEA, including buildings operated by such agency. Purchasing educational technology (including hardware, software, and connectivity) for students served by the LEA that aids in regular and substantive educational interactions between students and their classroom teachers, including low-income students and children with

disabilities, which may include assistive technology or adaptive equipment. Providing mental health services and supports, including through the implementation of evidence-based full-service community schools. Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction or online learning during the summer months and addressing the needs of lowincome students, students with disabilities, English learners, migrant students, students experiencing homelessness, and children in foster care. Addressing learning loss among students, including low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children in foster care, of the LEA. School facility repairs and improvements to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs. Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and non-mechanical heating, ventilation, and air conditioning systems, filtering, purification, and other air cleaning, fans, control systems, and window and door repair and replacement. Developing strategies and implementing public health protocols including, to the greatest extent practicable, policies in line with guidance from the Centers for Disease Control and Prevention for the reopening and operation of school facilities to effectively maintain the health and safety of students, educators, and other staff. Other activities that are necessary to maintain operations and continuity of services and continuing to employ existing staff.

In previous years, the Board has been warned about the volatility of Basic Aid Supplemental funding due to the criteria of receiving the funding. With the concern of Assembly Bills 1505 and 1507, passed in October of 2019, the District contacted FCMAT, the CDE and SCOE regarding the outcome of the Basic Aid Supplemental, should the District no longer be able to sponsor Pathway's Charter. The outcome to these discussions and calculations informed the District that should the District no longer sponsor Pathway's Charter, the District would lose 75% of the Basic Aid Supplemental funding, however, the District would discontinue sending in lieu property taxes to Pathways, therefore the end result in affecting the District's budget is a wash.

The 45.6 ADA for Harmony Elementary at 2021-22 Budget Development includes a transitional kindergarten in its counts for ADA and enrollment. ADA and enrollment for these TK students can only be reported to the State once the transitional kindergarten student turns five years of age. The ADA and enrollment continue to climb throughout the school year as these students turn five and can be counted.

Special Ed student enrollment has increased raising the cost of special education services for the District. The revenue for these students has increased, but the contribution from the General Fund for this program is significant at \$436,000.

Property taxes per ADA x Cha	arter ADA is reflected be	elow:	
Local Property Taxes	2021-22	2022-23	2023-24
	\$2,740,000	\$2,825,000	\$2,900,000
District LCFF ADA	45.6	47.5	49.4

S.C. Charter LCFF ADA	153.9	147.25	146.3

Pathways Charter ADA	420	420	420
	\$1,812,414	\$1,940,957	\$1,978,238

Deferred Maintenance Program Fund 14: With the implementation of LCFF, the annual State's deferred maintenance apportionment was eliminated. There will no longer be a revenue stream in this fund unless funds are permanently transferred from the general fund. These funds have been committed for deferred maintenance

purposes by an approved board resolution. The contribution to the deferred maintenance program from the General Fund is \$0.00 for 2021-22, but then increases to \$75,000 for 2022-23 and 2023-24.

Measure C, a school improvement obligation (G.O.) bond measure ballot to modernize and renovate our campus was passed on the June 5, 2018. The Bond is in the amount of \$9.6 million. The District continues to try and organize a Citizens' Oversight Committee to monitor bond expenditures, a requirement of the Prop 39 bond measure. The District created their own Bond Committee that has representation of staff, a board trustee, community, and administration. This committee has been an intricate part of bond planning. A master plan was presented at the 2018 November regular board meeting by TLCD Architects and a final draft of the master plan was brought back to the December 2018 board meeting for approval.

Proposition 51 effects the required minimum contribution a District must deposit to the Restricted Routine Repair and Maintenance account from their General Fund. The rate is 3% of the total General Fund expenditures within the General Fund for ongoing and major maintenance. *Currently the District is not required to meet that requirement due to the fact that District's with ADA under 300 are exempt.* 

Budget Development projections for 2021-22 through 2023-24 reflect an average of 2.5% increase in salaries due to step in column increases. The Administrative configuration for 2021-22 will be a full time Superintendent/Principal and a full time Assistant Principal/Curriculum Coordinator. There are two certificated position layoffs reflected in 2022-23.

The Budget Development reflects one certificated retiree receiving the monthly CAP of \$790 per month and one retiree receiving the monthly CAP of \$825. These two retirees are reflected in 2021-22 with an estimated cost for retiree health benefits of \$27,130. Both of these retirees age out during 2022. The District signed a 5 year contract in June of 2019 agreeing to pay \$15,000 to an HUSD Retiree through June of 2024. This \$15,000 has been added to the cost of retirees.

#### In summary:

At this time, the 2021-22 Budget Development is deficit spending in 2022-23 and 2023-24. If the State does not provide adequate funding within the next three (3) years, it is recommended that additional budget reductions be made in addition to the reductions presented in this Budget Development.

With the uncertainty of the California State Budget it is highly recommended that the District monitor the budget closely. With an ending balance of \$3,796,597.16, we are well within the State's "Criteria and Standards" which state that our District should have an ending balance for Economic Uncertainties of 5%. With the District assigning funds in a Budget Stabilization account, in the amount of \$2,400,000, and restricted funds in the amount of \$401,069.56 the district's unassigned ending balance at Budget Development is \$111,449.03.

A fluctuation in revenue is reflected based on the changes in ADA (see below):

	*LCFF Revenue	EPA Revenue	State Aid Revenue
2021-22	\$2,215,944	\$186,894	\$1,111,464
2022-23	\$2,103,326	\$132,839	\$1,111,443
2023-24	\$2,146,650	\$100,162	\$1,149,726

<sup>\*</sup>EPA and State Aid Revenues are included within the LCFF Revenue.

#### ADA used for LCFF calculations are:

@2nd INTERIM	@Budget Development
2020-21 214.7	2021-22 199.5
2021-22 211.47	2022-23 194.75
2022-23 190	2023-24 195.70

2022-23 and 2023-24 reflect expenditure increases in salaries due to step in column increases, estimated health and welfare benefit increases as well as an increase in STRS & PERS costs.

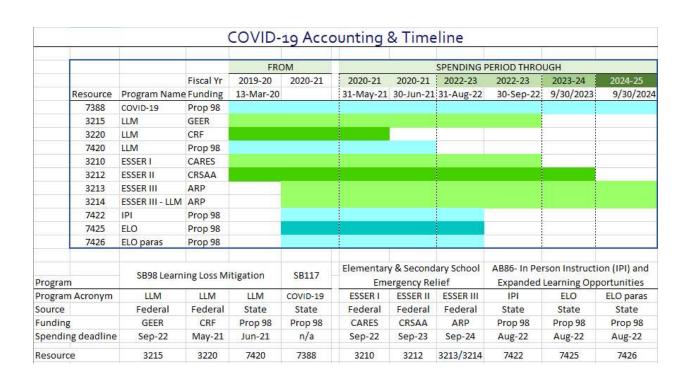

The Budget Development 2021-22 reflects a positive certification for Harmony Union School District. It will be able to meet its financial obligations for the 2021-22 through 2023-24 fiscal years.

At this time, it is expected that all other funds (Cafeteria, Deferred Maintenance, Capital Facilities, Bond, Special Reserves and Retiree Benefits) will have a positive ending balance for the 2021-22 school year. Projected Ending Balance spreadsheet is attached.

The LCFF Calculator Universal Assumptions for Harmony Union Elementary and Salmon Creek Charter used for the 2021-22 Budget Development is included.

#### HARMONY UNION SCHOOL DISTRICT 2021-22 Budget Development Assumptions for Funds 01 and 03

#### REVENUE

The 2021-22 Budget Development Projection is based on LCFF funding for 2021-22 through 2023-24

The Budget Development Projection includes Education Protection Act funding for all three years:

Salmon Creek - FUND 03	\$133,949	\$101,329	\$73,055
Harmony - FUND 01	\$52,945	\$31,510	\$27,107

	199.50	194.75	195.70

The District configuration for 2021-22 is one classroom per grade; Transitional Kindergarten, Kindergarten and 1st Grade.

The Charter School configuration for 2021-22 is one (1) classroom per grades 2nd, 4th through 8th; two classrooms for the 3rd grade.

Enrollment for the District at Budget Development is 48.

Enrollment for the Charter School, grades 2nd through 8th, is 162.

This decrease has significantly affected funding. EPA funding has decreased from \$186,894 in 2021-22 to \$100,162 in 2023-24, which is a loss of \$86,732.

The District includes a transitional kindergarten in the counts for ADA and enrollment. The LCFF calculator as well as enrollment reported at Budget Development is estimated to include only those TK students that have turned five years of age. ADA is calculated from a prior year-end projection of all TK students enrolled.

ADA and enrollment continue to climb throughout the school year as these students turn five and are counted.

#### COLA

ADA

COLA and BRL based on projections from School Services of California and SCOE

STRS and PERS rates were updated to reflect the increased rates.

Rates for 2021-22 are STRS 16.92% and PERS 22.91%

#### TRANSPORTATION

In the past, transportation revenue was going straight to the JPA, West County Transportation, however now the dollars are coming directly to the District via state aid.

In 2015-16. West County Transportation provided the State with amounts they received in 2012-13 for each member District which became the basis for funding.

For the District, this amount is considered as a pass-through since the JPA will charge the District the same amount that the District receives in revenue. The \$115,000 cost is reflected as a "Services and Operating" expense and the revenue is reflected in the LCFF calculator.

The District's excess transportation costs for the 2021-22 Budget Development are \$17,900 for out of district transportation and \$67,138 for Special Education pupil transportation.

- 1.) Bond for facilities expansion: The JPA issued a bond to pay for Phase III of the facilities expansion in order to provide parking for buses. The increased cost to HUSD for the bond is \$10,000. This may fluctuate incrementally depending on the sale price of the bonds.
- 2.) Additional Membership in the JPA: The JPA voted to include the largest school district in Sonoma County as a member. This expansion doubled the JPA expenses. The new district was brought in using a "phase-in" rate which will increase their use over time. As such, the other member districts will see a significant increase in expenses.

#### NEGOTIATIONS

2021-22 Negotiations have not settled and are on-going.

#### **HEALTH BENEFITS**

For 2021-22, the CAP, which is now based on the Kaiser Single High rate plus Dental, is set at \$974 per month, an increase from 2020-21 of \$24 per month or \$288 per year per employee. The 2021-22 Kaiser rates have increased 1.4%; while the Blue Shield rates have decreased 4.12%. The increase in cost of the 2021-22 Health & Welfare Benefits is reflected in the 2021-22 Budget Development Projections with Doubles are covered at 95% of the Kaiser Double MID option, plus dental and families are covered at 90% of the Kaiser Family MID option, plus dental. Classified health benefits will be calculated similarly.

#### HARMONY UNION SCHOOL DISTRICT 2021-22 Budget Development Assumptions for Funds 01 and 03

All employees have the option to opt for cash-in-lieu by selecting a lower costing health plan.

All employees also have the option to opt for their out-of-pocket portion of health benefits to be deducted at pretax.

#### **SALARY PROJECTIONS**

There are no planned certificated layoffs for the 2021-22 school year and two (2) planned certificated layoffs in 2022-23.

Administration Certificated salaries reflect the current configuration of Superintendent/Principal as well as the Assistant Principal/Curriculum Coordinator.

The district has 3 paraprofessional positions posted in Edjoin to cover current vacancies.

#### RETIREES

The District will continue to cover Health and Welfare Benefits for the Certificated Retirees until they reach the age of 65.

There is one certificated retiree receiving the monthly CAP of \$825 per month and one retiree receives the monthly CAP of \$790 per month

These two retirees are reflected in 2021-22 Budget Development. One of these retirees phases out in January of 2022;

the other retiree phases out in February of 2022, when they reach the age of 65. The Budget Development reflects these changes.

The District signed a 5 year contract agreeing to pay \$15,000 to an HUSD Retiree through 2024. This \$15,000 has been added to the cost of retirees.

#### **TRANSFERS**

Transfers in are projected at \$1,747,130 for the 2021-22 school year, \$1,735,000 for the 2022-23 school year and \$1,735,000 for the 2023-24 school year.

The annual transfer from the General Fund 01 to Charter Fund 03 Salmon Creek Charter School has increased to \$1,700,000.

This increase in the transfer, to cover yearly expenditures for the Charter School, insures that the Charter has a positive ending balance at year end.

The transfer in from FD 20 of \$27,130 for 2021-22 is for the two (2) retirees mentioned above plus the 5 year settlement.

The District transfers a cap of \$40,000 to the School Advisory Site Council Board to spend on student activity grants that fall under the goals of the LCAP.

The transfer from the District to the Cafeteria is budgeted for \$95,000 to cover Cafeteria salaries and expenditures to maintain the program.

#### **ECONOMIC UNCERTAINTIES**

The 5% required level for Economic Uncertainties reserves is reflected in the Budget Development for 2021-22 through 2023-24. The State establishes the minimum recommended reserve based on the district's average daily attendance (ADA). Per EC Section 42127, districts are required to hold a public hearing for the 2021-22 Budget Development adoption to provide public review and discussion of the reserve. SB 858, the education budget trailer bill, includes reserve caps or limits if certain State revenue conditions are met.

A statement of reasons that substantiate the need for the combined assigned and unassigned ending fund balances that are in excess of the minimum recommended reserve for economic uncertainties for each fiscal year identified in the Budget Development must be provided.

#### **Budget Development STABILIZATION**

Budget Development Stabilization: The HUSD Board recognizes that the Budget Development Stabilization is a one-lump sum of money and therefore cannot be connected to any ongoing expenses. The Board decided at their November 2018 regular board meeting

to increase the Budget Stabilization amount of \$2,261,723, which was the original amount designated in 2014, to \$2,400,000.

### 3C. Comparison of District ADA to Enrollment Ratio to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD NOT MET - Projected P-2 ADA to enrollment ratio is above the standard for one or more of the budget or two subsequent fiscal years. Provide reasons why the projected ratio exceeds the district's historical average ratio by more than 0.5%.

Explanation: (required if NOT met)

The district uses a 0.95% enrollment numbers to calculate ADA. This is the past practice of the district. The large decrease in the 2021-22 ADA is due to using 2020-21 LEA numbers.

### 4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)¹ and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA¹ and its economic recovery target payment, plus or minus one percent.

<sup>1</sup> Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

### 4A. District's LCFF Revenue Standard

Explanation: (required if NOT met)

The major variances in LCFF Funding are due to the fluctuation in ADA from year to year. Enrollment changes annually due to the District's TK Program and the inter-district transfers for all grade levels. The District is maintaining enrollment and having to turn away students due to the impact of class size. The District has one class per grade-level. Every grade level is evaluated prior to allowing additional students to enroll that each class. Pathways Charter ADA also affects the amount of LCFF Funding the District receives.

### 5. CRITERION: Salaries and Benefits
