Subject: 2023 Multi-Jurisdictional Hazard Mitigation Plan

Hello,

The Sonoma County Office of Education (SCOE) has been in the process of creating a Multi-Jurisdictional Hazard Mitigation Plan (Plan) since 2020. The Plan identifies a range of natural hazards with the potential to significantly impact SCOE facilities as well as all of the facilities within each of the SCOE districts. The Plan provides a list of mitigation action items that will be used in the future to reduce impacts from the identified hazards.

Part of the FEMA-mandated approval process for the Plan requires sharing the document with the general public as well as external agencies (jurisdictions served, utilities, special districts) in order to solicit input during the plan writing phase.

We are asking you to please review the draft version of the Plan and share your comments with us by February 16, 2023. The plan and survey for your comments can be found at [www.scoe.org/hazardmitigation](http://www.scoe.org/hazardmitigation). You are not required to provide your personal information but it will be helpful if you are requesting a response to a question.

Thank you in advance for your time and assistance with this project. We look forward to receiving your comments.
