

# ***What to bring:***

## ***Clothing for school:***

Dress in Layers!! This time of year the weather can go from cold, to hot, dry to wet, still to windy. Be prepared for anything.

Jacket for warmth and rain protection.

Closed toe shoes or rain boots- students will be outside for a lot of the day regardless of the weather.

Long pants- Outside classroom seating will be on straw bales with a stadium seat.

Always wear socks!

## ***In your backpack:***

Backpack with school supplies that you were provided at the beginning of the year- no sharing of supplies, electronic devices at any time.

Extra socks.

Extra clothes in case a change is needed.

Hat- beanie for warmth, or brim for shade.

Refillable water bottle: Water fountains will be closed. There will be a water bottle filling station on campus.

***Please ensure that all items are labeled clearly with your child's name.***

# ***What not to bring:***

## ***Alot of other "stuff":***

Students will be moving in between indoor classrooms and outdoor classrooms, and will need to carry their backpacks and stadium chairs. Please ensure that there is room in the backpack for their jacket, water bottle in addition to their supplies and lunch/snack (if they are bringing from home), and extra clothes/socks.

## ***Clothing:***

Please do not wear open toed shoes of any kind. No sandals, flip flops, etc.

Please do not wear anything that cannot get wet or dirty.
